**NOTICE**  
 (for the attention of Equity Shareholders of the Company)

**Transfer of Equity Shares of the Company to Investor Education and Protection Fund (IEPF)**

This Notice is published pursuant to the provisions of Section 124(6) of the Companies Act, 2013 ("the Act") read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 notified by the Ministry of Corporate Affairs, as amended from time to time ("Rules").

The Act and the Rules, amongst other matters, contain provisions for transfer of unpaid or unclaimed dividends to IEPF and transfer of shares, in respect of which dividend remains unpaid or unclaimed for seven consecutive years or more, to the Demat Account of the IEPF Authority. However, where there is a specific order of Court or Tribunal or Statutory Authority restraining any transfer of such shares and payment of dividend or where such shares are pledged or hypothecated under the provisions of the Depositories Act, 1996, the Company will not transfer such shares to IEPF Demat Account.

Adhering to the various requirements set out in the Rules, the Company has sent notices to the Concerned shareholders at their latest available addresses, whose Shares are liable to be transferred to Investor Education and Protection Fund (IEPF) Demat Account under the said Rules for taking appropriate actions.

The Company has uploaded full details of such shareholders and shares due for transfer to Investor Education and Protection Fund (IEPF) Demat Account on its website at [www.srikrishnapharma.com](http://www.srikrishnapharma.com). Shareholders are requested to refer to the web-link <http://www.srikrishnapharma.com> to verify the details of unencashed dividends and the shares liable to be transferred to Investor Education and Protection Fund (IEPF) Demat Account.

Shareholders can claim their unclaimed dividend by writing to the Company enclosing original cancelled cheque stating the first named shareholder as the account holder in case the shares are held in physical form or self-attested copy of Client Master List with the updated bank account details, if the shares are held in demat form.

Please note that the last day for claiming the dividends is October 28, 2021. In case the dividends are not claimed by the said date, the Company would initiate necessary action for transfer of unclaimed dividends and shares held by the concerned shareholders in favour of the IEPF Authority without any further notice, in accordance with the Rules made thereunder.

The concerned shareholder(s) are further informed that all future benefits arising on such shares would also be transferred to the IEPF Authority.

The Shareholder(s) may note that in the event of their unclaimed dividends and shares to the IEPF (including all benefits accruing on such shares, if any), the concerned shareholder(s) are entitled to claim the same from the IEPF Authority by submitting an online application in the prescribed e-Form IEPF-5, available on the website [www.iepf.gov.in](http://www.iepf.gov.in) and sending a physical copy of the same, duly signed (as per the specimen signature recorded with the Company) to the Company at its Registered Office along with the requisite documents enumerated in Form IEPF-5. Link of the e-Form IEPF-5 is also available on the website of the Company at <http://www.srikrishnapharma.com>.

The Members, who have not encashed the dividend for the Financial Year ended 31st March, 2013 and Subsequent years may claim the said dividend amounts on or before 28<sup>th</sup> October, 2021 by writing a letter /email to the Company at the below given address. After 28<sup>th</sup> October, 2021, the shares will be transferred to IEPF Demat Account.

In case the Company does not receive any communication from the Concerned shareholders by 28<sup>th</sup> October, 2021 the Company shall with a view to complying with the requirements set out in the Rules, transfer the shares to the IEPF Demat Account by the due date as per procedure stipulated in the Rules.

In case the shareholders have any queries on the subject matter and the Rules, they may Contact:

**Webinar on Health for All by FTCCI**

The Federation of Telangana Chambers of Commerce and Industry FTCCI has organised a Webinar on Health for All addressed by Padma Shri Padma Bhushan Dr D Nageshwar Reddy, Chairman - AIG Hospitals along with Manish Shah, Vice President, HDFC. Ramakanth Inani, President, K. Bhaskar Reddy, Senior Vice President, Anil Agarwal, Vice President, Shekar Agarwal, Chair, Narendar Surana, Advisor, Health Care Committee, Arun Loharuka, Past President and Khyati Naravane, CEO, FTCCI also participated in the event.

Dr D Nageshwar Reddy, Chairman, AIG Hospitals said that COVID passes through several stages like the asymptomatic stage, severe stage and critical stage. Fatality is less than 1%. If the statistics are taken broadly; i.e. those who do not visit any lab or hospital are taken into consideration, the fatality rate is 0.1%. The COVID affects the patient in two ways i.e. circulation of the virus in the body for the first week and during 2nd week, the body fights side effects.

He also informed that the first wave of COVID was Wuhan Virus and during the second wave of COVID it is caused Delta Virus. Delta virus is very contagious and hence the second phase was severe.

He also stated that the third wave affected the country muted fashion. It may not be severe because mutations may be mild or weak. He also stated that children may not be affected because 50% of children have already developed antibodies and hence will have minimal effect.

**NMDC's Best Ever June month and Q1 Performance**

With the production of 2.98 MT and sale of 3.18 MT of iron ore, this has been the best June ever for NMDC. The Iron ore production for the month was 18% higher than what was produced in the same month last year, and the sales number was 28% higher than that of June 2020. The cumulative production and sales figures up to June 21 (Q1-FY22) stood at 8.89 MT and 9.57 MT respectively, achieving a 34% increase in production and 49% in sales over the CPLY. With this India's largest iron ore producer surpasses its previous best for any Q1 since inception.

The month of June also saw Kirandul deliver its best performance to date: 10.36 LT was produced and sales 11.36 LT sold from this complex in Chhattisgarh. This takes its Q1 FY22 production to a record 32.13 LT and sales to 38.82 LT which again are the strongest ever Q1 performance for the Kirandul complex.

"The first quarter sets the tone for what we expect to be one of our best years. This momentum could see us surpass our production and sales target for FY 2022. That such a strong performance is being achieved in such testing times is particularly gratifying," said CMD NMDC, Sumit Deb.

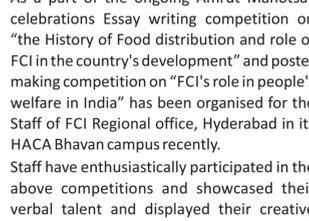

**Ramky Enviro & GHMC join for 2nd C&D DR Facility in Hyd**

Ramky Enviro Engineers Limited and Greater Hyderabad Municipal Corporation (GHMC) announced the launch of its 2nd Construction and Demolition Recycling facility in Hyderabad at Fathullaguda, Hayathnagar. This facility is the first of its kind, which uses wet processing technology to minimise dust pollution. The plant can process up to 500 TPD of construction and demolition waste.

Speaking at the event, Goutham Reddy, MD & CEO, Ramky Enviro Engineers Limited, said: "Rapid urbanization coupled with the unprecedented growth of cities and towns in the last two decades led to the generation of a lot of C&D waste. Construction and Demolition Waste Management has been our focus in line with our sustainable goals". Whereas, at the inauguration, K. Taraka Rama Rao (Minister for MA&UD, Industries, and IT & C) said: "I am happy to announce that Hyderabad is the first city in South India to have the 2nd Construction and Demolition facility. We will soon have two more C&D plants coming up in the other locations of the city to cover the entire city with a capacity of 2000 tons per day. We are also happy to introduce a toll-free number service for pick and drop (toll free number 18001201159) of the C&D waste which will be managed by GHMC. We appreciate the efforts made by Ramky Enviro in driving this initiative to maintain clean and green environment friendly, pollution free city for the generations to come." The plant at Fathullaguda is among the largest facilities in South India. The plant will operate under a public-private partnership model with Greater Hyderabad Municipal Corporation (GHMC).

**IIT-H and WiSig announce 'Koala', India's first 5G SoC**

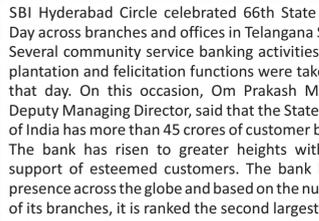

Indian Institute of Technology Hyderabad (IITH), along with WiSig, announced 'Koala' an NB-IoT SoC (Narrowband Internet-of-Things System-on-Chip). NB-IoT is a 5G massive Machine-Type-Communication (MTC) technology that enables low-bit rate IoT applications with long-range and device battery life up to 10 years. Smart meters, machine-to-machine connectivity, Industry 4.0, a plethora of sensor connectivity, asset tracking, digital healthcare, and many more applications find the use of Koala.

The SoC supports 3GPP Rel-13/14 compliant NB-IoT modem with integrated baseband and radio, an application processor, and GPS functionality for location tracking. Department of Telecommunication (DOT) has funded this "Indigenous 5G Testbed" project. IITH and WiSig networks (WiSig), a 5G start-up incubated in iTiC (IITH Technology Incubator) and FabCi (Fabless Chip Design Incubator, a MEITY funded incubator at IITH) collaborated in the successful development of Koala, India's first 5G cellular chipset. Cyient, an Indian Multinational Company, did the semiconductor design.

Prof. B.S. Murty, Director, IITH, congratulated Prof. Kiran Kuchi for this noteworthy work.

**State Bank Day Celebrations at SBI Hyderabad Circle**

SBI Hyderabad Circle celebrated 66th State Bank Day across branches and offices in Telangana State. Several community service banking activities, tree plantation and felicitation functions were taken up that day. On this occasion, Om Prakash Mishra, Deputy Managing Director, said that the State Bank of India has more than 45 crores of customer bases. The bank has risen to greater heights with the support of esteemed customers. The bank has a presence across the globe and based on the number of its branches, it is ranked the second largest bank in the world. SBI is the only Indian bank that has bagged a rank in the top 25 technologically advanced banks of the world.

Mishra, while addressing the employees emphasized the importance of strengthening the bonds between the Bank and its internal & external customers. To continue to be the premier bank of the country and to be the Banker to every Indian, all staff should strive to serve the customers with courtesy & professionalism and gain customer confidence, satisfaction & delight. All staff should take personal responsibility for sustaining SBI's position as a leader in financial services. He said that the bank has launched a campaign "I am the "I" in SBI" by the unveiling of the "I" mirrors at branches, across the state. He emphasised that the significance of the launch is to instil an overwhelming feeling, that the "I" in SBI is about me and make every employee and customer feel and believe that the relationship between SBI and "I" is symbiotic and both exist because of each other. He further called upon the staff to internalise it in their respective work areas and behaviour, so that each customer of the Bank, can feel the positive vibes that makes them feel like the "I" in SBI.

**100-MW Floating Solar PV Project at NTPC-Ramagundam Moving Ahead**

NTPC has become India's first energy company to declare its energy compact goals as part of the UN High-level Dialogue on Energy (HLDE). NTPC looks to install 60 GW of renewable energy capacity by 2032. The country's largest power producer is also aiming 10% reduction in net energy intensity by 2032.

Actualizing NTPC's ambitious renewable energy capacity addition plan, NTPC-Ramagundam is constructing the 100-MW Floating Solar PV Project at its balancing reservoir. Largest in the segment in India, the Floating Solar Project spreads over 450 acres of water surface with an estimated budget of Rs. 423 crore.

"NTPC is focusing on renewable energy. As part of this, here at Ramagundam, we are constructing the environment-friendly 100-MW Floating Solar PV. This plant does not require any additional land," says Shri Sunil Kumar, CGM (Ramagundam & Telangana), NTPC.
